The European Academy Berlin (EAB)

was founded in 1963 as a non-party, denominationally independent conference venue and international meeting place, for study and information on European affairs and for civic education for adults. Activities in civic education focus primarily on tasks and challenges in European cooperation and integration, together with issues of international current affairs and modern society.

Developing didactics in teaching in European integration policy at schools and adult level is one of the main focuses at the Institute of European Teacher Training which is a part of the Academy. Another part, the European Academy of the Urban Environment (EA.UE), addresses urban and ecological issues. The European Academy Berlin is a member of the European Network for Education and Training (EUNET), of the European Movement Germany (EBD) and of the Arbeitskreis für Europäische Integration (AEI).

The Academy comprises facilities for seminars and conferences and a co-located residential hotel (***) with 33 visitors rooms. For seminars and conferences there are lecture and seminar rooms, simultaneous interpretation, modern media and conference equipment. The Academy (building and grounds) offers wireless internet access (wi-fi).
